Sirs,

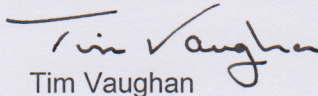

I am writing to strongly recommend FR Gardens Employment Agency Sdn Bhd as a recruitment service for a domestic helper.

Our family first contacted David and Rose Yee over 4 years ago when we needed to hire a live in helper. I was very impressed with their personal time, commitment and attention they gave to my request. Their combination of skill, experience and intuition was exactly what we had been looking for in an Employment Agency. Additionally, their professional ethics are superb. I am confident they provide the same service to all their potential customers. The helper they provided us is competent, honest, and trustworthy and is an invaluable asset to our family.

We recommend FR Gardens Employment Agency to anyone seeking a competent, trustworthy household helper.

Yours sincerely,

Shell Global Solutions (Malaysia) Sdn Bhd
