To Whom It May Concern

I've had the pleasure of dealing with FR Gardens Employment Agency since 2013, and my experience has been all the way positive.

Rose and David Yee were very professional in handling my request for a helper, and they have since arranged for several consecutive helpers for us.

FR Gardens also acted very promptly in meeting all regulatory requirements needed for me to secure a live-in maid.

They gave me peace of mind with their assistance and I highly recommend FR Gardens as an agent in getting domestic helpers.
